

Zion Lutheran Church Sunday School

will be starting a new semester

September 13 from 9-10 a.m. with

SPARKS and WATER

Everyone is invited to bring a **simple sealed water bottle** to share with the local Shelter on our Rally Day. Find out about our new mission to make sure that clean water gets to those children in need. Give thanks as a family today for the easy access you have to water in your home.

We will begin the fall studying in the book of Mark (in the New Testament) with the new **Sparks** curriculum in each Sunday School class beginning with Three Year Olds through Adults. Our weekly lessons will follow the same scripture that will be used during Sunday worship at the 8 o'clock and 10:15. Bring the family for class and worship each week so sparks can fly in your home and living water can quench your thirsting soul. Fill out the enclosed Registration Form for emergency purposes before the 6th of September. Everyone must have a new one on file to participate in Zion's Sunday School. We at Zion will be prepared to provide the staff and supplies necessary for your family if you register early. Stop by during office hours and pick up an additional form for a friend to come with your family. It only takes a spark to get the fire going and soon all those around will light up in its glowing. That is how it is with God's love.

There will be an informative meeting for parents at 9:15 in the sanctuary (lasting about 20 minutes) on the 13th of September for all to receive details about the year's events. This is a chance for all parents to bring new ideas and be involved in fueling the fire. Faith development happens when we intentionally allow Christ time to grow in our lives. It is our prayer that you will begin today putting your student's leaders in your prayers so that Christ is proclaimed here and we remain focused on our mission. Save on your calendar the 13th of December when the Sunday School will present their exciting Christmas Program. Our snow date is the 20th for the program. We will take a winter break between Dec. 20th and Jan. 17th then our exciting second semester will begin.

Send in this **Registration form** to the church office at ZLC, 531 Woodruff Street, Southington Ct 06489 before September 6th. You are welcome to bring the form by the office during office hours. Find your green backpack from last year's Rally Day and this year bring in it that **simple sealed water bottle** for the Shelter on our first day together, September 13th at 9:00. Watch the Sparks fly as we make a difference in the lives of many who thirst for the living water that only Jesus promises. Enjoy your summer.
